RE/MAX COMMERCIAL® AMONG ‘TOP 25’

DENVER, CO – [RE/MAX Commercial](#), a division of the Denver-based franchise company [RE/MAX, LLC](#), recently earned a spot among the top, commercial real estate companies in [National Real Estate Investor \(NREI\) magazine’s Top 25 Brokerages survey](#).

The RE/MAX Commercial Global Network has been experiencing year-over-year growth and has expanded into 42 countries with approximately 3,000 commercial practitioners and over 400 offices and divisions combined. In 2010, RE/MAX agents closed \$5.1 billion in investment sales and leasing transactions which put them in the ranks with other premier commercial brokerages.

“This is another notable achievement for RE/MAX as we’ve established prominence in the commercial real estate industry in the last ten years,” said [Mike Reagan](#), RE/MAX Senior Vice President, Business Alliances. “RE/MAX Commercial agents are among the most trained and professional in the business and they continue to make a name for themselves in this segment of the industry.”

The ranking, based on a survey NREI conducted in February and March 2011, put RE/MAX ahead of other prominent commercial firms like Coldwell Banker Commercial, Sperry Van Ness and Lee & Associates.

Much of RE/MAX Commercial Practitioners’ success can be attributed to their training, knowledge and experience. RE/MAX Commercial has the most Certified Commercial Investment Member (CCIM) designees in Canada and the second most designees and candidates in the industry overall. And, RE/MAX has a commanding population of CCIM designees in states like Alaska, Arizona, Colorado, Indiana and Washington.

Adding to its prominence within the industry, RE/MAX has had three CCIM Institute presidents in recent years.
